

Nepcote Flock Success

Findon's Nepcote Flock entered the 2018 South of England Show Fleece Competition at Ardingly. Out of the 59 fleeces entered, the flock were named Supreme Champion with their Southdown fleece.

The judge commented that he had never seen a better Southdown fleece. As a result, the winning exhibit now goes forward to the Golden Fleece competition in October when all other country shows' Supreme Champion fleeces will be judged at the British Wool Board in Bradford.

Having not had a very good lambing period, the flock were over the moon with both delight and surprise for this success. Graham Gostick who helps with the Nepcote Flock received the trophy on behalf of the hard working shepherds who were unable to attend the ceremony.
